"And a book of remembrance was written before him for them that feared the Lord, and that thought upon his name. And they shall be mine, saith the Lord of hosts, in that day when I make up my jewels." Malachi 3:16, 17.

There has been a wish that a family record of the late grandfather Henry Penner and descendants be compiled, which we, with the help of others, have undertaken. However, we are fully aware that this work is not without mistakes and very incomplete.

Most of the records of the Henry Penner family were lost before immigration; with grandfather Henry Penner leaving this world at about middle age, also three of his sons were left behind

in Russia, of whose record we have only a small part, therefore this part of the record is not complete. Two children of Gerhard Penner, son of Henry Penner, later also came to America. They were Jacob Penner, who came in 1923, and his sister, Mrs. Anna Miller, who with her husband and family came over in 1925. The remaining descendants of the three sons have undoubtedly fallen under communist rule and were lost behind the iron curtain.

It is our wish that this so incomplete record will do its bit in keeping us as a relation circle closer together and better acquainted.

As I Remember by Rev. Fred Penner

Mrs. Henry Penner with three of her children, Susie, Fred, Agnes, and son-in-law Peter W. Koehn, the husband of Agnes, emigrated to America with a group of other persons in 1891.

We were eighteen persons that emigrated at that time—fifteen grownups and three children. We left Polish Russia November 2, 1891. We embarked on a large freighter, the "S. S. Gothia", at Hamburg, Germany, November 13, 1891. The ship docked at Port Baltimore December 3, 1891. In all there were 139 passengers on the ship.

Tobias P. Unruh (Creek Unruh) showed us great love, favor and friendliness. He mortgaged all his livestock to borrow \$700.00 so that he could send us the tickets.

Our group consisted of the following: Uncle Abraham Schmidt, his wife, and five children: Tobias, Eva, Anna, August, and Heinrich; Peter Unruh and wife; Johann Schmidt and wife; Widow Heinrich Penner with two children: Susanna and Fred; Peter W. Koehn and wife (although Peter Koehn arrived six months later after remaining in Hamburg for a while. I do not know whether he arrived at Baltimore or New York. I am inclined to think that he landed in Baltimore. Neither do I know his time of departure in Hamburg, nor the date of his arrival in America.)

Leaving Poland, we had to steal across the border. We engaged several Jews for this purpose who made this their trade. By prearrangement they were waiting for us at a certain place in the large forest where we were to meet them after dark. I shall never forget that evening when we left our home in Poland. We lived nearest to the forest, so the rest all gathered at our home, carrying their belongings on their backs.

When we were ready to leave, our minister, Tobias Unruh, came to us probably out of envy, and gave us a very dark farewell. He reproved us sharply; nevertheless, we all from the largest to the smallest, took our bundle and went into the forest to meet the Jews.

It did not take long till we reached the boundary line that night. Here we stopped for a short time. Then our leaders took us through bushes, marshes, mud, slime, and who knows what not all. Out of fear, our leaders always stayed a distance ahead of us. They instructed us where and how we should go, and that we should be very quiet. They came back and gave us more instructions and they disappeared again. All at once they came again and said, "Now the children can scream as loud as they wish. We are across the border now."

From there we took the train to Germany through Austria. When we arrived in Germany, we soon found out that we were dealing with German people. We had a fourteen-year-old girl in the group who was riding at one-half fare. On the train the conductor asked "How old is that girl?" "Twelve years," they said. "No, she is fourteen," responded the conductor. "Full fare or get off the train." Here is where our trouble developed with Peter W. Koehn that he had to remain in Hamburg.

When our beloved friends in America were making arrangements to send us the tickets, Aganetha was still single and Peter's fare was not included. But in the meantime they were married and Peter did not have a ticket to go to America. But the sister had saved enough money to buy her husband a ticket. We had not traveled very far when our leader, Uncle Abraham Schmidt, realized that he did not have enough money to get to Hamburg. So Aganetha had to advance the money with the understanding that one of the other young men would remain in Hamburg, and Peter would sail on their ticket to America.

When we arrived in Hamburg the verdict was: Everybody shall ride on his own ticket. Nobody but the one without a ticket will remain. This grieved the sister very much and it cost her many tears.

As soon as we arrived at our friends' in America, the money for Peter's ticket was raised and the ticket was sent to him in Hamburg. But the German authorities defrauded him and did not even so much as tell him that his ticket was there. They wanted to keep him there. Finally Peter Unruh took the matter into his hands and got serious with the authorities, and after waiting six months they finally sent him to America. This was our first tribulation in Hamburg.

Our second disappointment was that we arrived three days late in Hamburg for our ship. The man in charge was very angry. He spoke very sharp words and wanted to send us back. But Uncle Abraham Schmidt humbled himself mightily before him. He begged and begged that he should not send us back to Russia. Finally he said, "I have an old freighter here, if you want to board that it is O. K." Whether it suited us or not, we boarded the freighter and it took three weeks to cross the ocean. The seas were very rough during our voyage on account of terrific winds, and we had much fear and distress. Had we caught our passenger ship we would have made the journey in eight or nine days.

When we arrived in Baltimore, we took a train to Canton, Kansas. We arrived at our destination at sundown. I am at a loss to say how long we traveled from Baltimore to Canton, Kansas.

Upon arrival at Canton, it appeared as though we would encounter our greatest trouble. Up till now we always knew where we were going, but now we had reached the end. We walked into the depot and found the agent. We spoke to him, but he could not understand one word. He spoke several words to us, but neither could we understand him. Now our trouble was great, but it was all unnecessary. Everything had been arranged, had we only known about it.

The agent stepped out immediately and soon returned with a man by the name of Dirks. This man spoke both German and Dutch. We all rejoiced greatly. We asked him if he knew Peter or Tobias Unruh. "Yes," he said, "I was at their place today. I haul their cream. I'll let them know of your arrival and they will come and get you." Then we knew that everything had been arranged for our arrival and our distress was gone.

About 11 o'clock they came with two lumber wagons and took us to Creek Unruhs where we arrived about 12 o'clock. We found a long table set with dainty food. But what did we Russians know about dishes, knives, and forks? But the old man was so childlike; he instructed us how to eat. He told us, "In America when there is more than one thing on the table, we do not fill up on one thing. We eat a little from all things." And really, we did learn to eat here in America, too.

Finally, when we wanted to go to bed, the old father again appeared with a large dishpan full of large, red apples. Then they put us to bed. In the morning when we got up we looked the new world over. The Unruhs had a very nice orchard and we saw heaps and heaps of apples lying about that they had gathered. We were astonished at it all! Yes, we were in America! But we soon had to see how we made it. We were scattered abroad, one went here and the other there.

Aganetha stayed at Peter Unruhs until Peter W. Koehn arrived from Germany. Mother and I stayed at Rev. T. A. Unruhs. The next spring mother and I went along to Marion County with someone, and Mother took on a job. I was a thirteen-year-old boy at that time and had to work real hard for \$3.50 a month. Then, about six months after the arrival of Peter W. Koehn from Hamburg, Germany, they started out to establish a home in America.

HENRY PENNER

and

DESCENDANTS

The late Henry Penner was born about 1835, date not definitely known, somewhere near Wolinen, Polish Russia. His parents were the Cornelius Penners. He married Elizabeth Schmidt, Polish Russia, born May 14, 1837, daughter of the Jacob Schmidts. Grandfather Henry Penner died in Polish Russia at about middle age.

Grandmother Elizabeth (Schmidt) Penner with part of her family, leaving three sons behind, came to America in the year 1891, settling in McPherson County near Canton, Kansas. In 1915 she came to Montezuma, Gray County, Kansas, where she stayed with her daughter, Agnes (Mrs. P. W. Koehn) and family until she was called to her reward by death on April 29, 1918.

Burial was made at the Mennonite Cemetery, northwest of Montezuma. In her early years in America she was baptized and became a member of the Church of God in Christ (Mennonite) remaining faithful until death.

GOLDEN WEDDING ANNIVERSARY

1902

November 9

1952

To Our Parents,

FRED and ANNA PENNER

In November of Nineteen hundred and two
You two joined hands in marriage true
Upon bended knees your vows were given
This union to keep until you're in heaven.

Your earthly possessions to begin with were few,
But life's cares were lightened because you were two.
A little boy came, the family grew.
The hardships of moving you also knew.

The family increased to ten in number.
Many joys, many sorrows you will remember,
The loss of one, praise God, you don't know.
Our circle's unbroken, our thanks we bestow.

Spiritual duties came in for a share—
Father, a Minister, lived a life of prayer.
Mother shared his labors, sought consecration.
Together you fought again'st life's temptation.

You saw your children leave the home nest.
What is it we remember and cherish best?
Your many teachings, your earnest prayers—
May heaven reward you for toils and cares.

We are thankful we have such parents true,
Heaven's richest blessings we wish for you,
May we all so live, when at journey's end,
To a home in Heaven we all may ascend.

Children

Golden Wedding Anniversary was observed by having
open house at their home, November 9, 1952 from 2 o'clock
to 5 o'clock P. M.
